

SAMPLES

Sample Options

Choose the simple physical sample most buyers need, or the corporate-only branded approval path when a business team needs a specific concept.

iLLUMiTUBES Sample Pack - \$35 delivered

- Available to any buyer
- One representative sample tube selected from available sample inventory
- One Tube Light
- Economy shipping included
- Tape is not included; an extra roll is \$6

The Sample Pack is meant to help you see the physical product, print, illumination and construction. The sample graphic may vary.

Custom Branded Corporate Sample

Corporate / business approval only. Price is the standard retail price of the selected tube size plus a \$150 design/service charge.

- For companies, agencies, planners, procurement teams and similar business buyers
- One specific branded concept in the selected standard tube size
- Proof before production
- One reasonable revision round
- Useful when a larger program needs internal physical approval
