

PRODUCT GUIDE

Tube Light & Accessories

The light, remote, tape and reuse accessories that complete or refresh an iLLUMiTUBES order.

iLLUMiTUBES Tube Light - \$8 each

Uses 3 AAA batteries. Batteries are not included. The light is not rechargeable. Add it with a tube order, order extras, or purchase a standalone replacement later.

Remote Control - \$4 each

Extra and replacement remotes are always available. Tube orders include a practical number based on total tube quantity:

Tube quantity	Included remotes
1-15	1
16-30	2
31-60	3
61-90	4
91-120	5
Above 120	Add 1 for each additional 30 tubes

If one standalone Tube Light is purchased by itself, one remote is included.

Assembly Tape - \$6 per extra roll

Extra tape can be added to an order or purchased separately for replacement graphics and future reuse.

Assembly tape for replacements and reuse

Add an extra roll with an order or purchase it separately when you need to form replacement graphics or prepare iLLUMITUBES for a future event.

Reflector + Stability Insert

Classic: \$4.25 each. Grand: \$6.50 each. Use one insert maximum per tube, either a top Reflector Insert or a bottom Stability Insert.

ONE INSERT. TWO OPTIONAL USES.

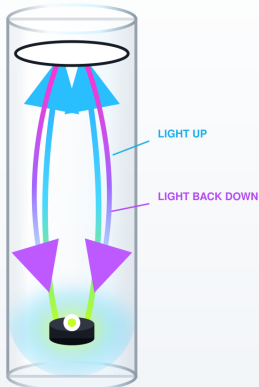

See what the light and insert are doing.

16-inch Classic iLLUMITUBE proportions shown. Choose no more than one insert position per tube.

TOP POSITION

Reflector Insert

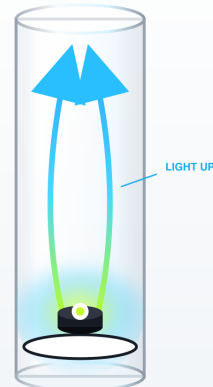

Upward light returns into the tube.

BOTTOM POSITION

Stability Insert

The Tube Light continues shining upward.

Optional and not required for standard use. Questions? Ask iLLUMITUBES before ordering.

These inserts are optional and are not required for standard use. If you have questions about which position, if any, would help your event, ask us before ordering at orders@illumitubes.com.
